

## 2023 Reading Punch Card Packs

Track the number of minutes you read between **June 12 – July 19**.

You may also track reading minutes on the READsquared software. See the information on the Library's website.

### All Reading Counts!

- Books
- Magazines
- Audiobooks
- Newspapers
- Online articles

For our Preschool aged readers, please count the minutes that you or another person reads to your child.

Get creative while reading! Make a blanket fort and spend time reading in an exciting new space. Read with a flashlight at night while camping for a fun but spooky story time. Try reading different types of materials. Read the newspaper, magazines, or even billboards and maps while traveling. Have fun reading!
