

2026 Reading Log Information

Track the number of minutes you read between **June 8 – July 22**.

You can track your reading minutes in two ways: by using the **Explorer's Log** for paper tracking, or by logging your time through the **Reader Zone** app.

All Reading Counts!

- Books
- Magazines
- Audiobooks
- Newspapers
- Online articles

Turn reading into an adventure! Create a cozy blanket fort and curl up with a favorite book in your own special hideaway. Bring a flashlight on a camping trip and enjoy reading under the stars for a fun—and slightly spooky—storytime experience. Explore different types of reading materials, too, such as newspapers, magazines, maps, or even billboards while traveling. However you choose to read, make it exciting and enjoyable!

For preschool-aged readers, please count and record the minutes spent reading to your child by you or another reader.
